

**Tee off with an Air Cannon**

HCRS' Kindle Farm School is an alternative school for boys, grades 2-12, in Newfane, Vermont. This independent school serves students with a variety of emotional, behavioral, neurological, and learning needs. Students benefit from a setting that provides multiple hands-on learning experiences, an appreciation of multiple intelligences, a strong staff to student ratio, and the understanding that every student wakes up in the morning wanting to succeed.

Kindle Farm's mission is to provide a physically and emotionally safe school environment, using a combination of diverse activities, strong supervision, and guidance, so that students can discard old patterns and habits and discover and practice new ways to communicate, problem-solve, and learn more effectively.

 **HCRS**

*To Benefit Our  
Kindle Farm School*

**Wednesday, September 1**
