

CHOOSE TO GET **VACCINATED**

*PROTECT yourself, your family,
and your community, and help
end the pandemic*

Get additional protection from COVID-19.

You can help end the pandemic by getting the vaccine, wearing a mask, social distancing, avoiding large gatherings, and frequently washing your hands.

Sign up to be vaccinated as soon as you are eligible - you'll not only protect yourself but those in our communities who are unable to get the vaccine due to medical conditions.
